Calfinn Pty. Ltd. is a privately owned company, established in Australia in 1993.  
Calfinn's focus is on supplying high quality tools and equipment to the automotive industry, including  
Mechanical, Tyre, Crash Repair, Refinishing and Towing.

In addition to supplying locally sourced products, Calfinn imports equipment of Danish and American origin.  
Calfinn are the sole importer of world leading brands including Compac Hydraulik - Serenco Nederland (Go Jak) Scangrip A/S (Canvik).  
The range of products includes Trolley Jacks, Gearbox Jacks, Hydraulic Presses, Gojak's, Spring Compressors and more.....

Calfinn's customers include Australia's market leaders in automotive repair supplies, automotive refinishing, tyre, towing, and racing industries.  
Together with efficient sales, service and distribution network, covering all states in Australia;  
Calfinn has well-established service centre and major warehousing facilities located in Sydney.
